Cancer care resources in Ontario

Use these links to find screening, coverage information and support in Ontario and Toronto.

Find a program or service

Ontario screening programs
Start here for breast, cervical, colorectal and lung screening information.

Ontario Health cancer services
Find provincial and regional pathways for screening, diagnosis, treatment and support.

Health811
Call 811 for non-emergency health advice and help finding care.

Princess Margaret Cancer Rehabilitation and Survivorship
Toronto program information and support during or after treatment. Ask the program about access and referrals.

Canadian Cancer Society Information Helpline
Call 1-888-939-3333 for cancer information and help finding supports.

Ask about exact coverage

Eligible physician, hospital and lab services may be insured through OHIP. Prescription drugs and allied-health services can follow separate rules. Confirm the exact service, fees, referral requirements and eligibility before attending.

Ontario Drug Benefit, OHIP+, Trillium or a private plan may help with eligible prescription costs.
