Erectile dysfunction: reference guide

Canadian-first sources and editorial limitations

General health information only. This page does not diagnose a condition or replace an assessment by a qualified clinician.

Version 1.0 · Publication date: 20 November 2026 · Clinically reviewed by Dr. Eduardo Jacques

Canadian sources are listed first. International sources supplement rather than replace Canadian guidance.

Source group	Best use in this draft
CUA / Diabetes Canada / Health Canada	Canadian clinical anchor, diabetes context and medication safety
Ontario Ministry / Health811	OHIP, medication coverage and navigation
AUA / FDA / NCBI	U.S. guideline, drug-label safety and academic background
EAU / NICE / NHS	European and U.K. comparison for assessment and treatment context
SexandU.ca	Canadian patient-facing sexual-health language
